A Rogation Prayer: We thank you for the blessing of family and friends, and for the loving care which surrounds us on every side. We thank you for setting us at tasks which demand our best efforts, and for leading us to accomplishments which satisfy and delight us. We thank you also for those disappointments and failures that lead us to acknowledge our dependence on you alone. Above all, we thank you for your Son Jesus Christ; for the truth of his Word, the example of his life and his saving acts. Grant us the gift of your Spirit, that we may know him and make him known; and through him, at all times and in all places, may give thanks to you in all things. Amen.
