

For Prayer

Please pray for:

All those whose lives have been changed in **Mozambique and Zimbabwe as a result of cyclone Idai**. Pray for those who have died and for all those still struggling to survive. Pray too for those involved in the rescue operation working under extremely challenging conditions.

The **people of India** as they embark on their largest ever election over the next few weeks.

We pray that the **recent election result in Israel** will not lead to an increase in tension between Israelis and Palestinians.

The annual church meetings being held in our Benefice this month, that all those in positions of responsibility may feel supported and appreciated in what they do.

We pray that during this **Holy Week**, and as we enter the season of annual parish meetings, we will find opportunities to reflect upon what God may be calling us to be or to do. As Jesus walked the way of the cross for us may he give us the courage to walk the way of the cross for him.

Our government and politicians and all involved in trying to find a solution to the Brexit problems. Pray that concern for the common good will always be at the heart of any decisions that are made.

Those who are deeply concerned and anxious because of all the current uncertainties about the future of this country.

All those who live in Lindley Gardens, Linnets Road, Mill Hill, Mitford Road and New Farm Road.

Lynn Treneary, our CMS link in South Sudan: for her teaching work and her work with the Mothers' Union, and for peace throughout that country.
